One price per page.

The more pages you remediate each year, the lower the price per page.

See the full per-page breakdown on page 2.

TWO-WEEK PILOT Start with up to 5 team members and up to 50 pages.

NEXT STEP

Remediate your PDF

campusmind.ai/pdf-accessibility/file-upload

Find your yearly volume.

Pick the row closest to the pages you plan to remediate each year. We confirm your volume and document mix on a short call.

Hosted by CampusMind

Plus $2,500 one-time onboarding. Hosting, AI, unlimited users and support are included.

Pages a year	Price per page	Price per year
10,000	$2.55	$25,500
25,000	$1.25	$31,250
50,000	$0.80	$40,000
100,000	$0.60	$60,000
250,000	$0.45	$112,500
500,000 or more	$0.40	$200,000

In your own Azure tenant

Plus $5,000 one-time onboarding. Includes your own Azure infrastructure and AI.

Pages a year	Price per page	Price per year
10,000	$4.00	$40,000
25,000	$1.73	$43,250
50,000	$0.99	$49,500
100,000	$0.67	$67,000
250,000	$0.40	$99,500
500,000 or more	$0.30	$152,000

Indicative pricing in US dollars. Final pricing may vary with volume and document complexity.

How to get your quote

1. **Tell us about your campus.** Share your size, documents and systems.
2. **Scope it together.** A short call on page volume, where files live and who reviews them.
3. **Run a two-week pilot.** Up to 5 team members and up to 50 pages.
4. **Get your written quote.** Priced to your volume and deployment choice.

You can review our security documents in our Trust Center.
